

Lithium Americas Reports Two Contractor Fatalities at Caucharí-Olaroz

October 24, 2022 – Vancouver, Canada: Lithium Americas Corp. (TSX: LAC) (NYSE: LAC) (“Lithium Americas” or the “Company”) is deeply saddened to report two fatalities at its Caucharí-Olaroz lithium project (“**Caucharí-Olaroz**”) in Jujuy, Argentina on Sunday, October 23, 2022. The two separate incidents occurred at the work camp and are believed to be unrelated and not connected to the ongoing development activities at site. An investigation into the cause is underway and the authorities have been notified.

“It is with deep sadness that we report the tragic loss of two contractors and colleagues at Caucharí-Olaroz. Our thoughts are with their families and friends and our team in Argentina at this difficult time. The health and safety of our employees and contractors remains our highest priority,” said Jonathan Evans, President and CEO of Lithium Americas.

Lithium Americas is working alongside our team at Caucharí-Olaroz to ensure everyone impacted has the support they need, including access to grief counselling services.

The Company will issue further statements and provide additional information as appropriate.

ABOUT LITHIUM AMERICAS

Lithium Americas is focused on advancing lithium projects in Argentina and the United States to production. In Argentina, Caucharí-Olaroz is advancing towards first production and Pastos Grandes represents regional growth. In the United States, Thacker Pass has received its Record of Decision and is advancing towards construction. The Company trades on both the Toronto Stock Exchange and on the New York Stock Exchange, under the ticker symbol “LAC”.
